Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

NGN has an ongoing requirement for the provision of specialist painting services to ensure the protection of new and existing assets across its network. This specialist painting requirement until recently was covered under an existing Framework Agreement. During a re-procurement of this Framework this specific requirement was not included and as such an interim arrangement (described above) has been put in place. In the coming Months NGN will instigate the procurement of a new Framework to provide this requirement prior to the expiry of this interim arrangement.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
