The tendering process has been conducted in accordance with the requirements and flexibilities provided by Articles 74 to 76 of the Directive, and Regulations 74 to 76 of the Regulations. The Authority ran a transparent tender process, treating all Bidders equally. For the avoidance of doubt, the Authority will not be bound by the Regulations or the Treaty on the Functioning of the European Union or any other regulations or legislation except for the specific parts or circumstances that apply to the procurement of these Services.
