The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service is lawful in accordance with Regulation 32(2)(a) of the Public Contract Regulations 2015, due to an absence of suitable tenders. Bauer can provide a technical solution that is compliant with all of the key user requirements and furthermore is the same solution used on the C17 Platform and therefore appropriate for direct award, after absence of any technically compliant bids.

It is for the reasons listed above that Bauer are considered the only operator able to meet the technical requirements of the contract.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
