III.1.3) Technical and professional ability

List and brief description of selection criteria

Owing to the character limitations in this section of the Contract Notice it is not possible to provide all of the information relating to this section (III.1.3) in the Contract Notice). Therefore the Objective and Non-Discriminatory Criteria for Questions 4C.1, 4C.6 and 4C.10 are set out in full in the SPD(S) and SPD(S) Minimum Requirements document, which can be accessed through the buyer attachment area within the portal.

SPD Selection Criteria, Part IV Section C: Technical and Professional Ability:

4C.1. 4C.6 and 4C.10.

SPD Selection Criteria, Part IV Section D: Quality Assurance Schemes and Environmental Management Standards:

List and brief description of selection criteria:

Owing to the character limitations in this section of the Contract Notice it is not possible to provide all of the information relating to this section (III.1.3 in the Contract Notice). Therefore the Objective and Non-Discriminatory Criteria for Questions 4D.1, 4D.1.1,

4D.1.2, 4D.2, 4D.2.1, and 4D.2.2 are set out in full in the SPD(S) and the SPD(S) Minimum Requirements document, which can be accessed through the buyer attachment area within the portal.

SPD Selection Criteria, Part IV Section D: Quality Assurance Schemes and Environmental Management Standards:

4D.1, 4D.1.1, 4D.1.2, 4D.2, 4D.2.1 and 4D.2.2.

Minimum level(s) of standards possibly required

4C.1 - Bidders will be required to provide examples of works carried out in the past five years that demonstrate that they have the relevant experience to deliver the work as described in part II.2.4 of the Find a Tender Service Contract Notice or the relevant section of the Site Notice.

3 examples are required for each lot that the bidder is tendering for; however, the examples chosen can be used for both lots. At least one example should be from the last 3 years.

Question 4C.1 carries an overall weighting of 100% with 34% attributed to the first example and 33% attributed to examples 2 and 3. Each example provided should be in line with the value, scope, scale, and complexity of the Proposed Contract and should demonstrate that your role in the works was similar to that anticipated in the Proposed Contract.

As a minimum, each example provided should detail the constraints, risks and challenges encountered and how these were managed and mitigated, including community engagement, project management, programme management, and KPI evaluations.

Bidders must achieve an overall combined minimum score requirement of 70 per lot.

Bidders unable to meet the minimum requirements for 4C.1 will be assessed as a FAIL and will be excluded from the competition.

4C.6 – Bidders will be required to confirm and provide proof that they have all of the following relevant educational and professional qualifications:

1. Gas Safe registration;
2. NICEIC registration; and
3. the installers' registration cards together with relevant ACS and CPA1 documentation are to be submitted for approval prior to works commencing.

Bidders may provide alternative accreditations to those listed above. Any alternative accreditation must be accompanied by documented evidence to demonstrate the alternative is equivalent to the accreditation noted above.

Bidders who do not have all of the above educational and professional qualifications will be assessed as a FAIL and will be excluded from the competition.

4C.10 - Bidders will be required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Bidders may be assessed as a FAIL and be excluded from the competition if they fail to provide a response to this question.

4D.1 (Quality Management and Health and Safety Procedures)

Quality Management Procedures

The bidder must hold and provide proof of a UKAS (or equivalent) accredited independent third-party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent) or satisfy items a-g as detailed in 4D.1.1.

Health and Safety Procedures

The bidder must hold and provide proof of a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 45001 (or equivalent) or have, within the last 12 months, successfully met the assessment requirements of a construction-related scheme in registered membership of the Safety Schemes in Procurement (SSIP) forum or satisfy items a-l in 4D.1.1.

4D.1.2 - If the relevant documentation is available electronically, please indicate.

4D.2 - The Bidder must hold and provide a UKAS (or equivalent) accredited independent third-party certificate of compliance with BS EN ISO 14001 (or equivalent) or satisfy items a-g as listed in 4D.2.1.

Bidders unable to meet the minimum requirements for all of SPD Section 4D will be assessed as a FAIL and will be excluded from the competition.

VI.3) Additional information

The information required in Part II of the SPD is for information only and will therefore not be assessed. The Council may however choose not to select Bidders who cannot provide basic company information.

Bidders must ensure that they submit appropriate SPDs completed by other members of the group (if they are bidding as part of a group), others whose capacity they rely on, and known sub-contractors on whose capacity they do not rely on, to satisfy any aspect of the SPD.

Bidders unable to complete SPD(S) Part IV: Concluding Statements may be excluded from the competition.

The complete ITT, with no pages omitted, must be submitted in accordance with instructions given, and be signed by an authorised representative (i.e. company director, secretary or other person authorised by the Candidate to do so). If the signatory is not the Candidate then the Candidate must provide, at the time of submitting the ITT, written confirmation of the signatory's authority to submit the ITT.

Bidders should note that all documents listed in ITT Section 12 "Checklist of Required Documents" must be fully completed and submitted to ensure the submission is considered complete. Failure to do so may result in the submission being deemed non-compliant.

Quality Questions - Minimum Score – If the average final score for any quality question response is below the minimum score requirement set for that question, then the

submission response will be deemed non-compliant. For the avoidance of doubt, if any quality question is unanswered this will result in the bid being deemed non-compliant.

Declaration of Non-involvement in Serious Organised Crime - In the case of any criminal history checks, the Council may exclude Bidders where the information provided to the Council by the Police Service of Scotland does not validate fully the information provided by the Bidder. Failure to disclose information that is relevant to this section or serious misrepresentation in relation to the information disclosed will result in exclusion from the Procurement or the termination of any subsequent contract that may be/has been awarded.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=665344.

The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility. A user guide is available at https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

A sub-contract clause has been included in this contract. For more information see: <http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see: <http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

North Lanarkshire Council's policy on community benefits in procurement aims to consider whether community benefits can be included where it is making capital investments or services/goods are being purchased.

An indication of the type of benefits which the Council expects is indicated within the ITT documents for this procurement exercise. Bidders will be required to provide details within their tender submission of the Community Benefits they will deliver if their tender submission is successful. It should be noted that the Community Benefit commitments made at tender stage may form a contractual obligation.
