- 48814400 - Clinical information system

II.2.3) Place of performance

NUTS codes

- UKG3 - West Midlands

II.2.4) Description of the procurement

Birmingham Women's and Children's NHS Foundation Trust (the "Authority") is conducting market engagement in relation to its requirement for a Cardiology Management, Reporting and Image Management Solution.

The Trust current has legacy solutions in place for Echo/ECG and Image management and reporting that it would like to replace.

Suppliers who are able to offer solutions relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained within the additional information section of this notice.

This exercise is intended to provide potential bidders with the opportunity to review the Authority's Draft Specification and to provide information regarding the services they can offer that could meet these outline requirements. This builds on the Authority's commitment to engage with the market, by sharing information and seeking input from the market to enable us to develop the final specification and determine the appropriate route to market in a fair and transparent manner.

II.3) Estimated date of publication of contract notice

31 October 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

Suppliers wishing to participate in this market engagement exercise and express an interest in this requirement should respond to the questionnaire via the online form on the Health Family Single eCommerce System Portal (Atamis) by 17:00 on Friday 25th August 2023.
