Main site or place of performance

Birmingham and Glasgow

#### **II.2.4) Description of the procurement**

Trigger is planning a city-wide, mass participation arts event, commissioned by Festival UK\* 22 and presented in the middle of two city centres across Summer 2022. The brief is:

- To procure or supply and grow 4450 Herbaceous Plants, Ferns and Grasses as outlined in detail in the tender document.
- The requirement is to nurture the plants to a high (show garden) standard for guaranteed delivery in late August 2022.
- The plants should be in full growth, balanced, hardened off and free from pests and diseases. They should be established in the container with a strong root system. They should be supplied in a  
recyclable rigid container.
- The plants to be grown preferably in a peat-free compost or one containing no more than 20% peat.

The tender is to include trolley delivery over no more than two days to central Birmingham in late August 2022.

#### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

### **III.1) Conditions for participation**

#### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions

- 1) Sufficient nursery capacity to allow for adequate spacing throughout the growing period.
- 2) Proven on site expertise with growing skills to provide a top quality product. Evidence of proficient pest, disease and weed control.
- 3) Designated continuous contact between staff in charge of project and project manager.
- 4) Access for regular stock inspection throughout growing period.
- 5) Adequate handling facilities and delivery capability to deliver to site in Birmingham within a two day window

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

The budget available for the supply of 4450 Herbaceous Plants, Ferns and Grasses is £30,900 + VAT.

Your budget should include a full breakdown and include costs for:

1) Each plant size and specification (some variation in container sizes is acceptable but should be specified).

Close varieties to those specified can be suggested subject to approval.

2) Maintenance, watering, pruning, spacing and potting on of plants throughout the year up to the point of delivery.

3) Delivery of all plants on trolleys to central Birmingham over a possible two day window.

4) Please also outline any additional costs you can foresee in connection with this growing contract.

## **III.2) Conditions related to the contract**

### **III.2.2) Contract performance conditions**

The requirement is to nurture the plants to a high (show garden) standard for guaranteed delivery in late August 2022.

The plants should be in full growth, balanced, hardened off and free from pests and diseases. They should be established in the container with a strong root system. They should be supplied in a

recyclable rigid container.
