Description

The proposed contract will be for the provision of supply agency services for all schools belonging to the Trust. The Trust is looking to appoint the three highest scoring Providers who will become part of the Trust's preferred Provider List. This will enable each school to select any Provider from the list in order to book suitable cover for the role(s) required. The Trust will not guarantee any level of supply for each individual Provider on the list and the schools will have the freedom to select whichever Provider they choose to use from this preferred Providers list. It is the Trust's expectation that the Provider shall be responsible for the operation of the supply agency function including: a. Availability of agency workers that have the required levels of competence and experience to cover the booking requests. b. Best Value for money. c. Comprehensive management information and reporting. d. High levels of school satisfaction. e. Consistently high-performance levels which meet or exceed KPI requirements. f. Consolidated invoicing weekly/ monthly as required. g. Expert advice on any legislative requirements related to Agency Workers. The contract start date will be the 1st September 2025 and is to be for a period of three

(3) years with the possible extension of two (2) further years, in 12-month intervals (3+1+1). The provision of supply agency services is to be delivered at all 20 schools under the Trust. Please see tender documents for site information.

Payment terms

Invoices are to be submitted in arrears in a format agreed by the Trust. The Provider must ensure that invoices are raised without delay. Payments will be made by BACS. Invoices shall be supported by detailed electronic information in a format as agreed with the Trust. Completed timesheets shall be submitted electronically (either by the Supply Agency Worker or the Provider) to the Trust for authorisation. The Provider shall only process timesheets that have been authorised by the Trust.

Description of risks to contract performance

Risks to contract performance are: Compliance and Regulatory Risks: Failure to comply with regulations and standards can lead to legal penalties and increased liability. Regular updates to safety regulations may require ongoing adjustments to the contract and services provided. Operational Risks: Delays in response times for the provision of workers. Not being able to fulfil the bookings Financial Risks: Inaccurate cost estimates or underfunding can lead to incomplete or substandard service delivery. Vendor Risks: A Contractor may fail to meet contractual obligations or commit a material breach. Contractor may face operational or financial difficulties. Technological Risks: Outdated or incompatible technology can hinder the effectiveness of fire and security systems. Cybersecurity threats to digital security systems can compromise sensitive information and system integrity. Communication Risks: Poor communication between the Contractor and the Trust can lead to misunderstandings and unmet expectations. Lack of clear protocols for reporting and addressing issues can delay resolution and increase risks.

Procedure

Procedure type

Open procedure

Justification for not publishing a preliminary market engagement notice

The justification is that the requirements are not complex or niche and the Contracting Authority already has an understanding of what they want the service to deliver and the supply agency market is known.
