Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Under the Public Services (Social Value) Act 2012, the Council is obliged to consider how the services procured through the Contract may improve the social, economic, and environmental well-being of the local area. Social Value is the benefit to the community from the delivery of Services over and above the direct purchasing of the Services. There can be no additional cost to the Council for the delivery of Social Value commitments. The Contractor is required to set out its Community Benefit Plan as part of their Technical response. The Contractor should ensure that the Social Value proposed directly benefit communities within the area of Rhondda Cynon Taff
