II.1.4) Short description

The Hampshire County Council currently commissions separate Stop Smoking Services which support over 3,500 people each year to quit smoking with the help of trained specialists. The aim of these services is to reduce smoking and its associated health risks in the local population. The delivery of the current Stop Smoking Services expires on 31st March 2025.

Hampshire County Council will be looking to recommission expanded specialist Hampshire Smoking Cessation Services, including a nicotine reduction service for those wishing to stop all nicotine use, to maximise the support provided by the recently awarded Local Stop Smoking and Support Grant. Key components of the service include personalised quit plans, one-to-one counselling, group support sessions, and the provision of nicotine replacement therapies or prescribed medications.

This Prior Information Notice (PIN) is intended to advise interested, potential suppliers of this forthcoming opportunity and engage with the market to inform our planned procurement in September 2024. We welcome feedback on the design of this service through completion of a market engagement questionnaire which is available to suppliers who have registered with the Hampshire County Council's e-procurement portal in-tend (in-tendhost.co.uk) The home page of this site provides guidance on how to register your organisation with in-tend (please click the Register heading on the home page to access this guidance) The title of the project on the portal is Hampshire and Isle of Wight Smoking Cessation Services and the project reference number is AS24420
