**II.1.4) Short description**

ELM Evidence are looking for a Strategic Modelling Partner to support the delivery of the modelling strategy. The Modelling Strategy aims to model all the scientific, economic and behavioural aspects of the schemes in advance and use it to optimise the outcomes of the programme. This engagement will involve providing independent review and advice, as well directly inputting into model development. The successful partner will work closely with ELM Evidence data science teams and will plan work within existing sprints.
