Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Provision of Water Quality Services

Reference number

OP22469

II.1.2) Main CPV code

- 71700000 - Monitoring and control services

II.1.3) Type of contract

Services

II.1.4) Short description

The Police and Crime Commissioner for Hampshire and Isle of Wight (the OPCC) have awarded a contract for the provision of water quality services.

The OPCC have awarded to one contractor to undertake water sampling and water system risk assessments across their estate in Hampshire and the Isle of Wight. The arrangement will support the OPCC to manage their duties in relation to water hygiene under the Health and Safety at Work Act 1974.

The contract will commence on 1 April 2024 and will be for a period of 2 years, with the option to extend for an additional period of up to 2 years.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £218,252.80

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKJ3 - Hampshire and Isle of Wight

Main site or place of performance

The Services are required at OPCC sites in Hampshire and the Isle of Wight.

II.2.4) Description of the procurement

The OPCC Estate strategy is about ensuring the Constabulary have fit for purpose buildings that not only support operational delivery, but also enable smarter working. The upgraded buildings and newly constructed properties also ensure a better working environment for officers and indeed anyone who uses and works in them.

The purpose of this contract is to provide the OPCC with an arrangement which helps to fulfil their duties under Health and Safety at Work Act 1974, to manage the risks mainly associated with legionella but including other water hygiene issues across their estate.

The Services in scope of this contract are:

-Provision of biennial water system risk assessments and completion of water system risk assessment reports following each site visit; and

-Water sampling services for both legionella and microbiological quality on a 6-monthly basis, with laboratory sample reports completed following each site visit.

-Both services are required to be undertaken at OPCC sites across Hampshire and the Isle of Wight, with sites listed at Appendix A of the tender documentation. There are currently 69 sites included in the programme.

II.2.5) Award criteria

Quality criterion - Name: Staffing Capacity and Capability / Weighting: 30

Quality criterion - Name: Business Continuity / Weighting: 25

Section VI. Complementary information

VI.4) Procedures for review

VI.4.1) Review body

High Court of England and Wales

London

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Public Contracts Regulations 2015 (SI 2015/102) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be started within thirty (30) days beginning with the date when the aggrieved party first knew or ought to have known that grounds for starting such proceedings had arisen. The Court may extend the time-limit for starting proceedings where the Court considers that there is good reason for doing so, but not so as to permit proceedings to be started more than three (3) months after that date. Where the Contract has not been concluded, the Court may set aside the decision to award the Contract or order the Contracting Authority to amend any document and may award damages. If the Contract has been concluded, the Court may only award damages, or where the award procedures have not been followed correctly, declare the Contract to be ineffective.
