Engagement

Engagement deadline

2 June 2025

Engagement process description

To assist in designing our future tender, we are seeking to engage with suppliers in the EVC market to understand: • Market capability • Indicative costs for budgetary purposes
The engagement will take place at a tbc venue where Anchor will give an overview of it's current portfolio and future requirements. There will also be an opportunity to have 121 sessions as well to discuss your services in more detail. For further information and to register your interest, the PME documentation can be found here:
