The Business Wales service encompasses a range of products and services offering information, advice, and support, online, via phone, virtually or in person in both English and Welsh.

Certain elements of the Business Wales service are currently delivered by external suppliers, which is expected to run until 2029.

There is an additional contract value of up to a further GBP 15.8m net for additional

activities; GBP 31.6m net total value. These activities will be aligned to emerging Welsh Government priorities that may occur. There is no obligation placed on the Contracting Authority to utilise the additional spend value (GBP 15.8m net) and the additional services may or may not occur.

The overarching aims of Business Wales are:

1. To build confidence and inspire individuals, entrepreneurs and micro / small medium enterprises (SME) businesses to reach their full potential. To work with key stakeholders to develop a cohesive ecosystem that is visible, simple and connected to ensure Wales is a great place to start and grow a business in the foundation or growth economies.
