Scope

Description

The City of London is seeking to appoint a consultant(s) to develop design options for traffic and public realm enhancements to Moor Lane between Fore Street and Silk Street as described in the brief, that will:

- Create a high-quality public realm that is greener, attractive, inclusive, sustainable and resilient; and
- Improve the experience, accessibility and safety of people walking, wheeling and cycling.
- Link Moor Lane with the public realm at London Wall Place to the south, contributing towards a creation / delivery of a north-south green corridor through the City of London.

Total value (estimated)

- £105,000 excluding VAT
- £126,000 including VAT

Below the relevant threshold

Contract dates (estimated)

- 23 July 2025 to 29 September 2026
