Southern Housing was formed in December 2022 following the merger of Optivo and Southern Housing Group. Southern Housing now owns over 80,000 homes and serves 167,000 residents across London, the South East, the Midlands and the Isle of Wight. Our merger has enabled us to deepen ties in our key communities.

Following completion of the merger we are now in a process of integration where we are looking to consolidate operational and contractual arrangements and geographic coverage and a key strategic focus for us over the next 18 months will be the packaging and procurement of Capital Works contracts.
