Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Metropolitan Police Service - Digital Policing - Solution Provider Framework 2022

Reference number

D118

II.1.2) Main CPV code

- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

The Mayor's Office for Policing and Crime is seeking to re-tender the existing Solution Provider Framework agreement (the Framework) for the provision of services relating to end-to-end Digital Policing solutions.

The Framework will consist of a panel of Suppliers from whom the Authority will procure services across 3 Lots through a 'mini-competition' process. The Lots are as follows:

Lot 1 Systems Integration - Plan, build, test, deploy, and operate technology solutions

Lot 2 Value-Added Reseller - Provision of software and hardware

Lot 3 Resource Augmentation - To support the Authority's technology teams in the delivery of solutions

The Authority is seeking Suppliers capable of delivering complex, multi-phased, technologically advanced solutions. Providers will be expected to bring functional and technical expertise, which can be drawn upon flexibly to deliver part or whole of a project.

Access to the Framework will also be offered on a national basis to all Police Forces, the Mayor's Office and the Greater London Authority and its functional bodies.

II.1.5) Estimated total value

Value excluding VAT: £300,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Maximum number of lots that may be awarded to one tenderer: 3

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Bidders will be able to bid for all Lots, or any combination of Lots and are eligible to be awarded a place on any or all

II.2) Description

II.2.1) Title

Systems Integration

Lot No

1

II.2.2) Additional CPV code(s)

- 72000000 - IT services: consulting, software development, Internet and support

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Systems Integration Lot (Lot 1) of the Solution Provider Framework 2022 provides services relating to Plan, Build, Test, Deploy, and Operate of technology solutions.

The scope of these solutions is expected to include:

- Bespoke application developments
- Configuration of Commercial-Off-The-Shelf (COTS) solutions

- Provision of Software-As-A-Service (SaaS) solution
- Device and software development and implementation
- Delivery of enhancements to existing applications

And delivery of integration projects that may include some or all of the above.
