## Scope

### Description

We are pleased to announce our intention to develop support services aimed at providing comprehensive assistance to unpaid carers.

These services will cater to those who require personalized guidance, emotional support, practical advice, and regular monitoring to ensure sustained well-being.

The objective is to empower unpaid carers with the resources and knowledge necessary to manage their caregiving responsibilities effectively, improve their overall health, and enhance their quality of life.

We are considering various approaches and service models that demonstrate the capability to deliver high-quality, evidence-based support solutions.

This initiative aims to foster communities where unpaid carers are supported through tailored programs that meet their specific needs.
