This notice has been edited. The [previous version](#) is still available.

A one week extension has been granted for this opportunity to allow bidders to include information from site visit attendance's within their bid submissions.

Scope

Reference

FM233

Description

The project involves the construction of the UK's first indoor beach volleyball courts at Moor Lane playing fields, Birmingham, UK. This will consist of four international standard beach volleyball courts, housed under an inflatable dome that will be erected for six months annually. The facility aims to be a centre of excellence for beach volleyball in collaboration with Sport England and Volleyball England.
