II.1.4) Short description

Adoption Tees Valley (Hosted by Stockton-on-Tees Borough Council, is seeking to establish approved providers for 2 main categories of therapeutic service delivery, which will be allocated against the following LOTS:

1. Specialist Assessments
2. Therapeutic Services

Providers of Specialist Assessment services, and of Therapeutic Services are invited to submit an application to be appointed to the APL.

The intended user group is to include:

- Adopted children
- Children placed for adoption, but not yet adopted
- Children with an adoption plan, not yet placed
- Adoptive families
- Adopted adults
- Children and their families affected by special guardianship

-Those whom a Local Authority member believe would benefit from an intervention of this nature.

The requirement is to deliver services across the Tees Valley area for children who are the statutory responsibility of Adoption Tees Valley and/or the consortium members. Other Local Authorities who have placed a child for adoption in the Tees Valley area and remain responsible for adoption support under the 3-year rule, may also be invited to consider selection of a provider through this APL.

Adoption Tees Valley feel it is crucial that families are given the opportunity to participate in the selection process in deciding who they will engage with in delivery of therapeutic services, and this service specification sets out to allow for this to be an “informed choice”.

Completion of Standard Selection Questionnaire and Award Questionnaire.

The service is the provision of a therapeutic intervention with either the child, and/or family with a focus on trauma and attachment. The therapeutic intervention will be delivered over a series of sessions and will be geared towards helping to improve mental health and wellbeing outcomes for children.

It is recognised that there are a range of interventions that providers may be qualified and experienced to deliver. Adoption Tees Valley wishes to procure a range of therapies, in order to maximise the accessibility and availability of suitable therapeutic interventions according to the child and families' needs.

The therapeutic model must be eligible for funding from the Adoption Support Fund, up to the fair access limit of 5,000 GBP per child, inclusive of all costs and VAT.

Therapies eligible for funding include, but are not limited to:

-Play therapy

-Individual psychotherapy

- Group therapy
- Family therapy
- Behaviour modification
- Cognitive therapy
- Trauma Attachment focussed therapy
- Creative arts therapies
- Sensory integration & Sensory attachment therapies
- Child & Adolescent Mental Health Services (CAMHS)
