I.5) Main activity

Housing and community amenities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Electrical Support

Reference number

DN562838

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

The purpose of this tender is to set up an Internal frame work of electrical support contractors with the view to award a primary provider for each lot on a reactive and small works basis and up to a maximum of 3 contingents to provide support as required by the council.

A provider can bid for all or individual lots

In addition to the standard lots detailed within this tender, there may also be the requirement for adhoc projects to be completed, It is the council's intention to utilise all winning providers (Primary and contingent for each lot) for mini bid competitions in this instance.

There are no guaranteed volumes for all requirements on this contract at any time.

II.1.5) Estimated total value

Value excluding VAT: £6,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Rewires

Lot No

1

II.2.2) Additional CPV code(s)

- 44000000 - Construction structures and materials; auxiliary products to construction (except electric apparatus)
- 45000000 - Construction work
- 50000000 - Repair and maintenance services
- 51000000 - Installation services (except software)
- 65000000 - Public utilities

II.2.3) Place of performance

NUTS codes

- UKH21 - Luton

II.2.4) Description of the procurement

The council has an annual rewire program of its housing stock generated from the Councils asset data base on a cyclical basis or from failed ECIRs. The work will predominantly be carried out in occupied dwellings and any furniture, floor coverings etc will need to be moved by the contractor to gain access for cable runs. Dust from drilling etc should be kept to a minimum and cleared up immediately. Cables are not expected to be chopped into the wall but where trunking is used it should be fixed in corners of rooms, on top of skirting boards or adjacent to architraves and be clipped as per the regulations. Any making good should also be included. All work should be carried out to BS7671 and at least one operative with 18th edition qualifications should be on site at all times.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 April 2022

End date

31 March 2027

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Kitchen rewires

Lot No

2

II.2.2) Additional CPV code(s)

- 44000000 - Construction structures and materials; auxiliary products to construction (except electric apparatus)
- 45000000 - Construction work
- 50000000 - Repair and maintenance services
- 51000000 - Installation services (except software)

- 65000000 - Public utilities

II.2.3) Place of performance

NUTS codes

- UKH21 - Luton

II.2.4) Description of the procurement

as part of the Councils kitchen refurbishment programme the kitchens are rewired completely. If properties have already been rewired it may only be necessary to update the kitchen installation. The work will predominantly be carried out in occupied dwellings and any furniture, floor coverings etc. will need to be moved by the contractor to gain access for cable runs. Dust from drilling etc. should be kept to a minimum and cleared up immediately. Cables are not expected to be chopped into the wall but where trunking is used it should be fixed in corners of rooms, on top of skirting boards or adjacent to architraves and be clipped as per the regulations. Any making good should also be included. All work should be carried out to BS7671 and at least one operative with 18th edition qualifications should be on site at all times.

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Communal rewires

Lot No

3

II.2.2) Additional CPV code(s)

- 44000000 - Construction structures and materials; auxiliary products to construction (except electric apparatus)
- 45000000 - Construction work
- 50000000 - Repair and maintenance services
- 51000000 - Installation services (except software)
- 65000000 - Public utilities

II.2.3) Place of performance

NUTS codes

- UKH21 - Luton

II.2.4) Description of the procurement

The Councils small blocks of flats mainly comprising 4-8 units are risk assessed to determine if they need relighting to include emergency lighting. The work will be in communal areas – hallways, landings and staircases and will need to be accessed by the tenants and the public at all times. Specific care needs to be taken to avoid trip hazards from tools, cables etc. and work areas should have barriers at all times. All conduit will need to be galvanised steel and any making good where old light fittings have been removed should also be included to a plaster finish. Any breaches of fire barriers should be rectified before completion of work on a daily basis. All work should be carried out to BS7671 and at least one operative with 18th edition qualifications should be on site at all

times.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
