Body governed by public law

## I.5) Main activity

Education

# **Section II: Object**

## II.1) Scope of the procurement

#### II.1.1) Title

Provision of Content and a new STEM based digital platform

Reference number

GBSIoT 0822

#### II.1.2) Main CPV code

• 72212100 - Industry specific software development services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

GBSIoT wishes to build and develop a new digital platform to engage, inspire and support young people in particular, but not exclusively, to engage with, access and progress into, the exciting range of careers, apprenticeship and education opportunities available to them across the Advanced Manufacturing and Engineering, or Digital professions across the Birmingham and Solihull locality. The platform needs to be live in time for a March 2023 delivery and work will not commence before the end October 2022. Taking account of key specialisms and to ensure all proposals can be considered the requirement has been broken into two lots as follows: Lot 1: Content creation (for platform and to inform marketing strategy) Lot 2: Platform development

#### II.1.5) Estimated total value

Value excluding VAT: £1,000,000

#### II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

#### II.2) Description

#### II.2.1) Title

#### **Content Creation**

Lot No

Lot 1

#### II.2.2) Additional CPV code(s)

- 22462000 Advertising material
- 80420000 E-learning services
- 92110000 Motion picture and video tape production and related services
- 92111200 Advertising, propaganda and information film and video-tape production
- 92112000 Services in connection with motion-picture and video-tape production
- 79341200 Advertising management services
- 79341100 Advertising consultancy services
- 79341400 Advertising campaign services
- 79634000 Career guidance services
- 79342200 Promotional services

## II.2.3) Place of performance

**NUTS** codes

• UKG3 - West Midlands

Main site or place of performance

Greater Birmingham and Solihull Institute of Technology 'GBS IoT' Hub - see <a href="https://www.gbsiot.ac.uk/">https://www.gbsiot.ac.uk/</a>

#### II.2.4) Description of the procurement

Content creation for the new STEM based digital platform. Imperative that content must clearly and effectively target the right populous and be compatible with the Platform (lot 2)Delivery required by 31 March 2023. Collaborative working with GBS IoT, the discovery phase partner (procured separately) and the platform developer tendered under Lot 2. This requirement is part of a larger GBSIoT project. As such the total budget for the development period ending 31.03.23 cannot be exceeded. An indicative budget of £200k inclusive of VAT has been allocated for the content creation and platform development in the initial period. It is expected that the split between Lot 1 and Lot 2 will be approx. 50:50. In the event that the proposed solutions exceed the indicative guide budget the GBSIoT would still actively encourage a tender response to enable further dialogue to take place (subject to a full assessment of tendered responses and overall budget performance).

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 November 2022

End date

31 July 2024

This contract is subject to renewal

Yes

Description of renewals

The development period commences 31.10.22 and the 'go live' for the platform will be 31.03.23. Conditional on available funding the agreement term will be for a period of 21 months to 31.07.2024 with further options to extend in annual increments thereafter subject to satisfactory performance, budget availability and agreement of rates.

#### II.2.10) Information about variants

Variants will be accepted: No

#### II.2.11) Information about options

Options: No

#### II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

## II.2) Description

#### II.2.1) Title

Platform development

Lot No

Lot 2

#### II.2.2) Additional CPV code(s)

- 30211300 Computer platforms
- 79340000 Advertising and marketing services
- 48100000 Industry specific software package
- 72243000 Programming services
- 48000000 Software package and information systems
