Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The imaging benchtop system will be connected to the current IVIS Spectrum system therefore it is necessary have the same technical characteristics in both systems in order to perform preliminary/screening experiments. Having two instruments from the same manufacturer calibrated to the same specifications, with same optical parts such as filters and camera allows inter instrument comparison and uniformity what is a central requirement of the experimental protocols.
