Scope

Reference

713161450

Description

RSPM Will primarily enhance safety on live fire ranges, particularly live fire tactical training. It will reduce the risk to life, ensuring the quality of training is not reduced, reduce the administrative burden in the range planning and authorisation process, allowing focus on the safety aspects of the activity and the quality of the training. It will assist the management of ranges, ensuring maximum use of resources.

Requirement primarily based within the UK, however some element of overseas delivery may also be required.
