We are pleased to announce our intention to develop a Statutory Healthwatch Service aimed at providing comprehensive support to individuals requiring assistance with healthcare-related issues. These services will cater to those who seek personalized guidance, advocacy, and practical advice to navigate the healthcare system effectively. The objective is to empower individuals with the resources and knowledge necessary to access quality healthcare, improve their overall health, and enhance their quality of life. We are considering various service models that demonstrate the capability to deliver high-quality, evidence-based Healthwatch solutions. This initiative aims to foster healthier communities through tailored programs that support individuals in their healthcare journey.
