Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

The bidder is enrolled in the relevant professional registers kept in its country of establishment.

The bidder is enrolled in the relevant trade registers kept in its country of establishment.

If the relevant documentation is available electronically, the bidder should state:

The web address

The issuing authority or body

The precise reference of the documentation

III.1.2) Economic and financial standing

List and brief description of selection criteria

Credit Safe check:

Prior to awarding contractors will be subject to a Credit Safe check to assess economic financial standing. The contractor will be required to co-operate with the Council and may be asked to provide copies of their last 2 financial audited accounts to assist with this process if they are regarded high risk.

Insurances:

The bidder confirms they already have or can commit to obtain, prior to the commencement of the contract, the levels of insurance cover indicated below.

Minimum level(s) of standards possibly required

Insurances minimum levels required:

Employers (Compulsory) Liability GBP 5 million

Public Liability GBP 10 million

Motor GBP 5 million

III.1.3) Technical and professional ability

List and brief description of selection criteria

Educational and professional qualifications:

Relevant qualifications, licences and training held by drivers/operators.

Health and Safety procedures: A documented health and safety policy or where applicable (less than 5 employees, self-employed etc.) provide a statement of Health and Safety Intent and similarly, where recorded, provide examples of risk assessments likely to be associated with carrying out this type of work (3 minimum).

These should include safety of staff and others, members of the public, operation of vehicles, plant and equipment and include their current major incident controls for example a pandemic.

Minimum level(s) of standards possibly required

Class C licence or Class C1 required; with regards to lot 1 only Class 1 + E licence required.

Certification to operate any plant or vehicles they will be responsible for. Gritters require to be supplied with a valid calibration certificate.

All vehicles should have legal certifications such as MOT, Servicing and Road Tax.

Health and Safety Procedures: Minimum level(s) of standards required: Organisations with less than five employees are not required by law to have a documented policy statement. The need to reduce documentary requirements on micro businesses in particular will be taken into account by buyers and the evaluation panel. Method statements and risk assessments for risks likely to be associated with carrying out this type of work including their current major incident controls for example a pandemic.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Performance of the Contract will be monitored against six major Key Performance Indicators (KPIs), these are specified in more detail within the Performance Management Plan attached with this ITT.
