II.1.4) Short description

Established in 2004, Procurement for Housing (PfH) is a national procurement consortium dedicated to the social housing sector and supported by the National Housing Federation

(NHF), Chartered Institute of Housing (CIH) and HouseMark. Collectively our Members manage more than 75% of UK' social housing stock, with PfH helping them to achieve efficiency savings using a wide range of services including framework agreements, spend analyses, strategy reviews, consolidated billing and comprehensive reporting. PfH is a contracting authority under Regulation 2 of the Public Contracts Regulations 2015 ("PCR 2015") and a central purchasing body under regulation 37 PCR 2015.

Please refer to www.pfh.co.uk for additional information.

PfH is administered by Inprova Limited and is headquartered in the North West of England with over 20 years of expertise and experience offering a complete procurement solutions package across outsourcing, technology and consultancy. By integrating procurement services and technology, Inprova operates as a delivery partner, supporting business performance improvement for the public sector.

Procurement for Housing has established a Framework Agreement for Responsive Repairs and Void Property Services.

The framework has been split into five (5) lots:

1. Responsive Repairs and Void Property Refurbishment
2. Void Property Refurbishment
3. Responsive Repairs
4. Void Property Cleaning and Clearing Services
5. Void Property Security Services

The framework agreement is open to social housing providers and the wider public sector (<https://procurementforhousing.co.uk/permmissible-users/across>) across England, Scotland, Wales and Northern Ireland.

Organisations applied to become qualified suppliers in more than one lot, however, they were restricted in applying for either National coverage or up to a maximum of 4 regions.

The estimated total Lot values were provided within Document 1 - Invitation to Tender, and represented the estimated maximum spend ranges for each Lot.

However it should be noted that PfH expect the total value of the Framework Agreement across all lots to be GBP 240,000,000 (240 million). As it is unknown which contracting route will be selected by PfH Members estimations were duplicated over lots 1 to 3.
