Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

No reasonable alternative exists for this procurement The Clarity LIMS system is exclusively available from Illumina. It is the only commercially available LIMS system that is specifically

designed for exactly this type of complex next-generation sequencing workflow/dataflow. It is completely integrated with the Illumina reagent kits and instrument systems that are part

of the ALMS contract. This system is essential for delivery of the SARS-CoV-2 Pathogen Sequencing service. The absence of competition is not a result of the artificial narrowing of

the parameters of the procurement.
