Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

A direct award through a framework was undertaken as UKAEA believed this would be the most appropriate way to gain value for money. The contractor has become a strategic part of key decision making in commercial areas and has built up a large level of knowledge. By awarding the contract to the same supplier, UKAEA is able to retain knowledge gained, further develop existing relationships between the bidder and Authority and not have to move through a transitional period for a prospective new supplier which would delay UKAEA operations.

IV.1.8) Information about the Government Procurement Agreement (GPA)
