- 72000000 - IT services: consulting, software development, Internet and support

II.1.3) Type of contract

Services

II.1.4) Short description

The UK Infrastructure Bank ("UKIB") is a government-owned policy bank, focused on increasing infrastructure investment across the United Kingdom. UKIB is providing £22bn of infrastructure finance to tackle climate change and support regional and local economic growth across the UK.

UKIB has grown at pace, resourcing key functions to enable it to undertake both local authority and private sector lending.

Given UKIB's growing portfolio of assets and relationships, UKIB wishes to further strengthen its existing financial risk framework and due diligence processes by procuring specific tools to assess, measure and manage credit risk, counterparty and environmental, social and governance (ESG) financial risk as further described below.

UKIB is in the process of implementing the Atamis e-Tendering Portal (the "Portal"). In the interim the Procurement Documents are being made available via email to procurement@ukib.org.uk.

However, it is anticipated that tender submission will be via the Portal and submission instructions will be confirmed in due course to all suppliers who request the Procurement Documents.

All communications shall be in English. Any contract or agreement resulting from this procurement process will be considered a contract made in England according to English Law and subject to the exclusive jurisdiction of the English Courts.

UKIB does not bind itself to accept any tender and reserves the right to accept any part of the tender unless the tenderer expressly stipulates to the contrary.

Tenderers may offer supplementary services as part of their tender response providing these are connected to the underlying service requirements as described in the Procurement Documents. UKIB reserves the right to purchase such 'optional services' but shall be under no obligation to do so, nor does UKIB give any guarantees in relation to volumes. Nothing shall prevent UKIB from receiving services that are the same or similar to any optional services proposed from any third party.

Interested providers will be able to view this opportunity via the live opportunities list on UKIB's e-procurement system, Atamis. Click on 'View our Live Opportunities' from the home page, available on the following link: <https://atamis-3929.my.site.com/s/Welcome>.

Once you have found the opportunity (via the search function, using the title or reference number), to gain full access to the tender documentation (including questionnaires), you will need to click on 'Register interest' - this will take you to the log-in page.

If you are not already registered on the system, you will need to do so before gaining full access to the documentation and being able to submit a bid.

All communications shall be in English. Any contract or agreement resulting from this procurement process will be considered a contract made in England according to English

Law and subject to the exclusive jurisdiction of the English Courts.

UKIB does not bind itself to accept any tender and reserves the right to accept any part of the tender unless the tenderer expressly stipulates to the contrary.
