II.1.4) Short description

Derby City Council is seeking expressions of interest from suitably experienced and competent software providers who can deliver a fully integrated NHS Health Check Software package. This will involve the ability to capture and link data through the NHS Health Check process ensuring associated pathways and data transfers take place legally and efficiently.

Any bidder must be able to demonstrate they have successfully delivered the NHS Health Check Software) previously.

The software solution is designed to support the process for both GP practices and Third-party Providers delivering health checks in the community and will support the operational process and monitor the performance and effectiveness of this programme.

There will be a comprehensive suite of reporting and analytical tools to support the information requirements both locally and nationally.

The successful bidder for the provision of the software will be expected to work with General Practices and all Third-party Providers who support the local delivery of NHS Health Checks.

The NHS Health Check Software solution will support the following requirements:

- Identification of the eligible populations for Derby City (The software must have a function to categorise the eligible population by their status in the Health Check process)
- Assist GP practices and Third-party Providers to deliver the programme, providing a solution to capture and link community health check data with GP practices.
- Issue patient invitation letters on behalf of practices who have opted out of the NHS Health Check Programme
- Provide programme activity and outcome reports for Derby City Council by GP practice and Third-party provider/s.

There is a maximum budget of £30,000 per annum available.

The deadline for tender submissions is 09:00 on 18 October 2021.

It is recommended that you express interest and obtain the documentation well before the deadline to allow sufficient time to prepare and submit a comprehensive response.

Please note we will only accept expressions of interest through the e-tendering system.

The contracting authority will incorporate a minimum 10 calendar day standstill period following electronic notification (minimum of 15 calendar days for any other means of communication) to tenderers of the award decision. This period allows unsuccessful tenderers to seek further clarification from the contracting authority before the contract is entered into. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2015 (SI 2015 No 102) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought

promptly . Where a contract has not been entered into the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may only award damages. The purpose of the standstill period referred to above is to allow parties to apply to the Courts to set aside the award decision before the contract is entered into.
