NUTS codes

- UKM83 - Inverclyde, East Renfrewshire and Renfrewshire

Main site or place of performance

National Manufacturing Institute of Scotland

II.2.4) Description of the procurement

The Contracting Authority seeks to award a contract to a single supplier to undertake services related to ongoing and scheduled equipment servicing and repairs at NMIS. The Contract duration is anticipated to be for a period of twenty-four (24) months. The Contracting Authority will require the successful supplier to fulfil the below non-exhaustive list of requirements:

1 The Supplier must carry out an initial audit of the equipment to create a bill of materials and part register. Inclusive of an inspection, the

Supplier must establish the current condition of all hydraulics in the first instance and provide NMIS personnel with recommendations.

2 The Supplier must create a critical parts list detailing potential lead times and costs for replacements and expected lifespan of the parts.

3 The awarded Supplier will carry out an assessment of any new equipment and add it to the existing register and tag accordingly.

4 The awarded Supplier shall offer replacement parts that are new and like for like brand or

agreed equivalent with workshop manager.

5 The Supplier should hold ISO14001 Environmental.

6 The Supplier must hold ISO9001 for Quality.

7 The Supplier must hold OHSAS18001.

8 Maintenance reports must be created and sent to the AFRC after each visit including oil sampling within 3 weeks after the visit.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 50

Cost criterion - Name: Cost / Weighting: 50

II.2.11) Information about options

Options: Yes

Description of options

The Contracting Authority reserves the right to request additional deliveries by the successful Tenderer, either intended as partial replacement of supplies or installations or as extensions of existing supplies and installations.

The Contracting Authority may at it's sole discretion exercise this option.
