Selection Questionnaire responses and tenders are to be completed electronically using the

SE Shared Services Procurement eSourcing portal

<https://www.sesharedservices.org.uk/esourcing/opportunities>). The SE Shared Services eSourcing portal provides a web-based tool that provides a simple, secure and efficient means for managing tendering and quotation activities reducing the time and effort required

for both buyers and potential bidders. The portal allows for tender clarifications and

submitting your bid electronically. In order to bid for this opportunity, Candidates should

register their organisation on the SE Shared Services portal. Bidders will remain responsible

for all costs and expenses incurred by them or by any third party acting under instructions from Bidders in connection with taking part in this procurement, regardless of whether such

costs arise as a consequence direct or indirect of any amendments made to the procurement

documents by the Council at any time. The Council reserves the right at any time to:

- (i) reject any or all responses and to cancel or withdraw this procurement at any stage;
- (ii) award a contract without prior notice;
- (iii) change the basis, the procedures and the time-scales set out or referred to within the procurement documents;
- (iv) require a bidder to clarify any submissions in writing and/or provide additional information (failure to respond adequately may result in disqualification);
- (v) terminate the procurement process; and
- (vi) amend the terms and conditions of the selection and evaluation process.

All discussions and correspondence will be deemed strictly subject to contract until a formal

contract is entered into. The formal contract shall not be binding until it has been signed and

dated by the duly authorised representatives of both parties subject to a sufficient number of

satisfactory responses being received. In relation to Section II.2.10, variant bids may be accepted by the Council. However, this will only be in circumstances where the form and content of the variant has been approved by the Council in advance.
