Estimated value of this lot: £22,750 per year.

On-site – Stonegravels Depot:

- Skip to hold mixed construction waste.
- To be collected and replaced with an empty skip twice per week on Tuesdays and Fridays (unless alternative days are confirmed by mutual agreement) or if We advise that collection is not required on a particular day due to business need.
- We will not be disposing of POPs (sofas/beds/mattresses/upholstered furniture), light bulbs, chemicals, asbestos, TVs/monitors, electrical items, or gas cylinders in this skip.
- To give an indication of frequency of collection, 96 skips were collected in 2022-23.
- 12-yard skip to hold cardboard waste. To be collected approximately once a week but

this may need to be amended to twice a week dependant on business need.

- To be collected and replaced with an empty skip once a week. This may be revised to twice a week from time to time or on a permanent basis dependant on business need.
- Waste to be disposed of in accordance with all relevant legislation and with valid carriers' licences in place.

On-site – other borough locations:

- Skips to hold mixed construction waste.
- 8, 10, and 14 yard skips to be made available.
- To be delivered to and collected from locations within the borough as and when required to accommodate building waste from Council activities (for example, renovation works to tenanted Council dwellings).
- Highways permits to be provided where required.
- To give an indication of frequency of collection, 18 large skips were required in 2022-23. This may fluctuate in future years dependant on business need, and no guarantee of the number of skips to be ordered is given.
- Waste to be disposed of in accordance with all relevant legislation and with valid carriers' licences in place.

II.2.4) Description of the procurement

Estimated value of this lot: £188,000 per year.

- Council employees will arrive in suitable tipper vehicles to tip waste of the types described in the table above (see 'background to our requirements').
- The drop-off tip site (i.e. Your location) needs to be within 5 miles drive distance of the Council's Stonegravels depot at Old Brick Works Lane, S41 7JD. For the avoidance of

doubt, Google Maps (without 'traffic') will be used for calculating drive distance and the Council's decision as to this distance will be final.

- Vehicles should be weighed on entry and exit at the tipping site to calculate the weight of waste material 'dropped off'.
- Digital photos are to be taken of all tipped waste to provide evidence (if required) of the tipped material for each drop off.
- Waste needs to be able to be tipped (i.e. by raising the truck bed to facilitate the removal of waste from the vehicle) and no manual 'by hand' unloading will be permitted.
- No minimum weight of loads is to be stipulated and all load weights should be accepted irrespective of the total weight.
- Access to the tipping site is required during working days (Monday to Friday) from 8am to 4pm. There is no requirement for access at weekends or on bank holidays. If access cannot be maintained (such as in unforeseen circumstances), the Council's representative should be contacted at the earliest opportunity to discuss the likely length of closure and any contingency to be put in place in the meantime.
