Description

Waste Removal Services are required at TfW Stations and Depots. The Hazardous and Non-Hazardous waste will be disposed of in an appropriate manner in accordance with The Waste Separation Requirements (Wales) Regulations 2023, The Separation of Waste (England) Regulations 2024 and other current, applicable legislation for Wales and England. The Welsh Government has also set a target for businesses to increase their recycling rate to 70%, and as such the successful Waste Contractor will be required to assist TfW in both reaching this goal and complying with the above Waste Separation Requirements in a collaborative and innovative way.
