Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

The Single Procurement Document (SPD) Section 4B refers.

Minimum level(s) of standards possibly required

Section 4B.5 specifies the minimum levels of insurance which are as follows:

Employer's (Compulsory) Liability Insurance, GBP 5Million

Public and Product Liability Insurance, GBP 5Million

Professional Indemnity GBP 2Million

Section 4B.6 of the SPD requests further information from the successful Tenderers.

A copy of your audited accounts or equivalent for the most recent two years, along with details of any significant changes since the previous year end.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Section 4C.1.2 of the SPD requests at least one relevant example of previous experience from suppliers tendering for this framework contract and/or services carried out within the last three years.

Section 4C.4, Supply Chain Management and Prompt Payment question, must also be completed.

Minimum level(s) of standards possibly required

For a Pass at 4C.1.2 of the SPD, Tenderers must have a solution in place within an equivalent environment to the tender Specification for each specific Lot that the Tenderer has submitted a response to. For each Lot responded to, the minimum required equivalent environment to the Tender Specification includes having a solution in place that provides all capabilities listed up to and including 4.1 of the Specification of Requirements main section 2 of the ITT.

For a Fail at 4C.1.2, Tenderers seeking to develop a fully bespoke solution will be disqualified. Tenderers who cannot provide evidence that their solution is in place within an equivalent environment to the tender Specification will be disqualified.

For a Pass at 4C.4 of the SPD, The Tenderer has (or has access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain, has confirmed that they have the systems in place to pay contractors through the supply chain promptly and effectively, and that they will provide evidence, when requested, of (a) their standard payment terms and (b) > or equal to 95% of all supply chain invoices being paid on time (in accordance with the terms of the contract) in the last financial year. If the Tenderer is unable to confirm (b) then they must provide an improvement plan, signed by their Director which improves the payment performance.

For a Fail at 4C.4, the Tenderer does not have the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain, does not have the systems in place to pay contractors through the supply chain promptly and effectively, and cannot provide evidence of (a) their standard payment terms and (b) > or equal to 95% of all supply chain invoices being paid on time (in accordance with the terms of the contract) in the last financial year and the Tenderer is unable to provide an improvement plan signed by their Director which improves the payment performance.

III.2) Conditions related to the contract
