Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The supplier of the original laser system has worked with the University of Edinburgh to develop this solution. It is essential that the characteristics and output of the lasers match exactly those currently used for the purposes of the research. For this reason, it is not technically possible to source these additional components from any other manufacturer.
