UKD3 - Greater Manchester

Internet address(es)

Main address

<http://www.zerowastegm.co.uk>

Buyer's address

<http://www.zerowastegm.co.uk>

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object**II.1) Scope of the procurement****II.1.1) Title**

GMCA 162 Greater Manchester Waste and Resource Management Services (WRMS) and Household Waste Recycling Centre Management Services (HWRCMS)

Reference number

DN734462

II.1.2) Main CPV code

- 90500000 - Refuse and waste related services

II.1.3) Type of contract

Services

II.1.4) Short description

The contracting authority is not awarding new contracts. This VEAT notice is in respect of a proposed modification to extend Greater Manchester Combined Authority's existing contracts for waste and resource management services and for household waste

recycling centre management services along with some additional works to upgrade an existing energy from waste facility and associated services, provision of cashflow relief in respect of electricity income during the additional works, an acceleration of existing planned lifecycle works, a change to the payment mechanism for rail subcontract services, upgrades to an existing facility to enable the early acceptance of plastic pots, tubs and trays, commitments as to terms on which biowaste disposal sub-contracts are let. See sections II.2.4 and IV.1.1 for further details.

II.1.6) Information about lots

This contract is divided into lots: Yes

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £554,000,000

II.2) Description

II.2.1) Title

Waste and Resource Management Services (WRMS)

Lot No

1

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKD3 - Greater Manchester

II.2.4) Description of the procurement

This is not a new contract opportunity, but rather a VEAT notice to inform the market that the contracting authority is seeking to extend its existing contract for waste and resource management services with Suez Recycling and Recovery UK Ltd which was originally awarded in 2019 and is due to expire on 31 May 2026.

The extension period will be for an initial three year period until 31 May 2029 and then for a further five year period until 31 May 2034, exercising the existing options to extend under clauses 3.4.1 and 3.4.2 (respectively) of the waste and resource management

services contract.

In addition, it is proposed that additional works are undertaken to upgrade an existing energy from waste facility at Raikes Lane, Bolton. It is intended that the contracting authority will provide short term cashflow relief in respect of electricity revenue not realised during these additional works in consideration for a subsequent increase in share of electricity revenue until such relief has been earned back. It is further proposed that certain existing planned lifecycle works at the Raikes Lane facility are accelerated.

Payment for rail haulage under a subcontract shall be varied from a fixed cost basis to a pass through cost basis.

Further upgrades to an existing facility are planned to enable the early acceptance of plastic pots, tubs and trays.

There is also a commitment from the contractor as to the terms on which contracts for the disposal of biowaste until the end of the proposed extension periods are established.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Household Waste Recycling Centre Management Services (HWRCMS)

Lot No

II.2.2) Additional CPV code(s)

- 90500000 - Refuse and waste related services

II.2.3) Place of performance

NUTS codes

- UKD3 - Greater Manchester

II.2.4) Description of the procurement

This is not a new contract opportunity, but rather a VEAT notice to inform the market that the contracting authority is seeking to extend its existing contract for household waste recycling centre management services with Suez Recycling and Recovery UK Ltd which was originally awarded in 2019 and is due to expire on 31 May 2026.

The extension period will be for an initial three year period until 31 May 2029 and then for a further five year period until 31 May 2034, exercising the existing options to extend under clauses 3.4.1 and 3.4.2 (respectively) of the waste and resource management services contract.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This VEAT notice relates to modifications to the WRMS and HWRCMS contracts originally awarded in 2019 following a competitive award process. The contracting authority considers that the modification is permitted by Regulation 72(1)(e) of the Public Contracts Regulations 2015 as a modification which is not substantial. The proposed extensions of both contracts are pursuant to clear, precise and unequivocal review clauses (clause 3.4.1 and 3.4.2) of the original contracts. The contracting authority considers that the other proposed modifications to the WRMS contract as set out in section II.2.4 above are not substantial as they do not render the contract materially different in character or considerably extend its scope. The contracting authority also considers that there is no change in the economic balance of the contract in favour of the contractor as a net result of the proposed modifications. In addition, the contracting authority does not consider that if the WRMS contract had originally been advertised to include the proposed modifications that it would have attracted any different participants or candidates or that the outcome of the original procurement would have been any different.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession

Lot No

1

A contract/lot is awarded: Yes
