#### **II.2.2) Additional CPV code(s)**

- 75231230 - Prison services

#### **II.2.3) Place of performance**

NUTS codes

- UKJ37 - North Hampshire

## **II.2.4) Description of the procurement**

This notice is placed as a Prior Information Notice and relates to a pre-procurement market engagement event to be held in Central London on 21st September 2022.

NHS England (NHSE) South East invite attendees interested in delivering health, emotional and wellbeing services for students at the Oasis Restore Secure School (ORSS) in Medway, Kent. ORSS will offer a restorative opportunity to students who have become criminally involved. Students will either be on remand or have received a sentence via Court.

NHSE is seeking a provider (or group of providers), who can deliver both clinical and non-clinical services, offering a student-centred approach to delivering services in partnership with Oasis Restore and Youth Custody Service including (but not limited to):

- Physical health provision, including GP provision, health nurses and access to specialist therapies, for example, optometry, physiotherapy, audiology
- Mental health services, inc access to talking therapies, counselling and psychology led provision
- Neuro diversity services, inc. speech and language therapy
- Substance misuse services
- Health promotion and public health programmes, inc sexual health services, vaccination, immunisation and BBV provision
- Health education
- Pharmacy service
- Dental services
- Appropriate administrative and data management support.

Through innovative service delivery, the aim will be to improve the health and wellbeing, and the lives of vulnerable children and young people with complex needs. NHSE would like to encourage collaboration between providers and partnership working, including community and voluntary sector providers to deliver these services.

The engagement event will allow commissioners to share the vision for the service and understand the level of provider interest. Commissioners and potential providers can network and explore opportunities to work collaboratively and support future commissioning plans.

The ORSS at Medway is the first of such secure schools. During the life of the contract, it is the expectation that the health service provider(s) and education provider (Oasis) work together to develop provision in a way that changes the lives of our students.

ORSS will have an initial capacity of no more than 50 students aged 12 to 17 years and will include boys and girls. All students will receive an intensive package of well-being,

psycho-social and educational assessment, and support. The provider will be required to deliver a range of clinical health interventions and to develop innovative approaches that deliver a fully integrated education, health, and wellbeing programme, designed and delivered alongside Oasis. Oasis is a multi-academy trust responsible for 53 academy schools in England.

The contract is anticipated to commence during the second half of 2023/24 financial year. The annual contract value is anticipated to be circa £2 million, with the contract term to be confirmed.

### **II.3) Estimated date of publication of contract notice**

19 August 2022

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No

---

## **Section VI. Complementary information**

### **VI.3) Additional information**

For further information about Oasis Restore please see the following link / the attached document.

<https://www.oasisuk.org/campaign/oasis-restore/>

This process is being managed by NHS South, Central and West Commissioning Support Unit (SCW) on behalf of the Commissioners.

Those interested in attending the event and delivering (all or part of) the service requirements should complete the market engagement event registration form. Further details of the event will be provided once the PIN has closed, to those providers who have registered their interest and returned the form.

If you are interested in attending, please express an interest via Atamis.

If you are not already registered on the system you will need to do so before you can fully access the opportunity. On registration, please include at least two contacts to allow for

access to the system in times of absence.

You will first need to register by following the link below and selecting 'Register here'.  
<http://health.atamis.co.uk/>.

Once registered, you will be able to search for the 'Oasis Restore Secure School' opportunity and obtain access to the market engagement event registration form. Please complete and return the form by 17:00 Friday 9th September 2022

Commissioners will not be liable for costs incurred by any interested party in participating in this exercise. Interested parties should note that a response to this notice does not guarantee an automatic invitation to any subsequent formal procurement, which the commissioners will consider in due course.

This notice is an information gathering exercise rather than a call for competition in its own right, and therefore publication or response does not commit NHSE South East or respondents to a future procurement, nor provide any process exemptions or preferential treatment to any parties expressing an interest.

The services are healthcare services falling within Schedule 3 to the Public Contracts Regulations 2015 ("the Regulations") which are not subject to the full regime of the Regulations, but is instead governed by the "Light Touch Regime" contained within Chapter 3, Section 7 of the Regulations (Regulations 74 to 77).
