Section II: Object

II.1) Scope of the procurement

II.1.1) Title

24000000

Reference number

0053

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

ECL is seeking a digital care and client management system to support the paperless delivery of support services to clients, both individually within their own homes and the community, as well as to groups of clients within building-based settings.

The required solution includes client record management; electronic Medication Administration Records (eMAR); digital forms to support assessment, support planning, activity and incident recording; staff rostering; electronic visit management through mobile devices; location and mileage tracking; staff timesheets; client portal.

The solution will provide management as well as clinical and care staff with real time information and reports to ensure safe, high quality, compliant and efficient services.

The solution will also need to be capable of integrating with ECL's current and future Human Resources, Payroll, Financial and Billing systems.

II.1.5) Estimated total value

Value excluding VAT: £240,000

II.1.6) Information about lots
