II.1.4) Short description

The Service being commissioned is 'Specialist Substance Use Detoxification and Rehabilitation Services' previously known as 'Tier 4 Substance misuse services' and 'inpatient detoxification and rehabilitation services'.

Inpatient detoxification and rehabilitation services are a standard part of the substance misuse treatment pathway nationally and are clearly referenced in national guidance (Drug misuse and dependence, UK guidelines on clinical management. Department of Health, 2017).

For the purpose of this procurement, the Services are as follows:

- Specialist inpatient drug and alcohol assessment, stabilisation, and detoxification/assisted withdrawal services.
- A range of drug and alcohol rehabilitation programs including both residential and non-residential to suit the complexity of different service user needs.

These interventions will form part of a broader recovery pathway for individuals with complex substance misuse problems, complimenting and supporting the existing community substance misuse services commissioned by the Authority in Lancashire, providing specialist interventions to help stabilise, detox and support behavior change, resilience and address trauma in individuals who struggle with community level support only.

The procurement is for a Pseudo Dynamic Purchasing system (PDPS) which will be a list of providers who meet the required criteria.

The PDPS will be made up of the following Service Categories:

Service Category 1. Detoxification Services

Service Category 2. Rehabilitation Services

There will be no restriction of the number of Service Categories an Applicant can apply for and be appointed to.

The full details of the services are set out within the Specification.

Please see the Contract for information in relation to the call off process.
