II.1.4) Short description

LHC on behalf of the Welsh Procurement Alliance (WPA) is seeking interest from suitable organisations for our Modern Methods of Construction (MMC) New Homes Framework (NH3).

This is a national framework and is being procured on behalf of:

Welsh Procurement Alliance (WPA)

Scottish Procurement Alliance (SPA)

South-West Procurement Alliance (SWPA)

Consortium Procurement Construction (CPC)

LHC

This framework is the successor to our popular Offsite Construction of New Homes Framework - NH2 and will be for the construction of Modern Methods of Construction (MMC) New Homes and associated works.

The framework consists of 4 (four) workstreams and each workstream has multiple lots bidders can apply for. As follows:

Workstream 1 - Three Dimensional (3D) Modular Systems – Category 1

Workstream 2 - Two Dimensional (2D) Panelised Systems – Category 2

Workstream 3 – Main Contractors Delivering MMC Solutions

Workstream 4 - Groundworks and Site preparation for MMC Housing Projects

To encourage SMEs and regional bidders each lot is also broken down into multiple regional areas bidders can apply for.

Bidders will be required to meet a minimum turnover requirement for each lot (please refer to ITT).

LHC will conduct a financial assessment. This assessment will allow LHC to carry out a robust assessment of a Bidders' financial standing.

The assessment will have 2 stages:

- 1) Credit score - LHC will use Creditsafe to carry out initial checking of a Bidders' financial status.
- 2) Profitability, Stability and Liquidity Assessment - Bidders will be assessed on their financial stability based on a range of financial information obtained from the Bidders annual accounts.

Bidders will be required to have the following minimum levels of insurance:

All lots except lot 9 & 18

Employers (Compulsory) Liability Insurance: 5,000,000 GBP

Public Liability Insurance: 5,000,000 GBP

Professional Indemnity Insurance: 2,000,000 GBP

Lots 9 & 18

Employers (Compulsory) Liability Insurance: 5,000,000 GBP

Public Liability Insurance: 5,000,000 GBP

Technical requirements:

Bidders are required to have the following:

All Bidders:

Health & Safety ISO 45001 (please refer to ITT for accepted equivalents)

Lots 1-7, 8, 10, 11-17:

Environmental Management ISO 14001 (please refer to ITT for accepted equivalents)

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

WPA / LHC is a joint committee of local authorities acting as a central purchasing body on behalf of contracting authorities throughout England, Wales and Scotland (including members of the Welsh Procurement Alliance).

Thanks to the ongoing and collective feedback and input into the development of this framework, it is both designed and anticipated to support the vast majority of our clients' and partners' requirements.

Consequently, other contracting authorities that were not specifically consulted in the development of this framework may nevertheless also deem the framework to offer a value for money procurement solution for their own requirements and may also use the framework.

As of the date of publication of this notice our frameworks may be used by all contracting authorities in Wales as defined by the Public Contracts Regulations 2015 and as listed on <https://www.welshprocurement.cymru/who-we-work-with/>, including, but not limited to Registered social landlords (RSL's), tenant management organisations (TMOs) and arm's length management organisations (ALMOs), local authorities and any subsidiaries and joint-venture vehicles of those local authorities, health authorities, councils, boards and trusts, publicly funded schools, universities and further education establishments, colleges, police forces, fire and rescue services or registered charities.

Bidders must beware that WPA Partners may add community benefit requirements in their call-off contracts from this Framework including but not limited to:

- Generating education, employment and vocational training opportunities for priority groups and for up-skilling the existing workforce;
- Supporting environmental concerns such as net carbon zero
- Delivering equality and diversity initiatives;
- Making sub-contracting opportunities available to SMEs, local organisations, the third sector and supported businesses;

- Supporting supply-chain development activities;
- Building capacity in community organisations;
- Supporting charitable and community benefit initiatives

Please use the following link to access the tender on LHC's eTendering portal.

<https://in-tendhost.co.uk/LHC/asp/Tenders/Current>

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

WPA have established the WPA Community Benefit Fund. The fund is being utilised by our Executive Committee Members to reinvest funds generated by WPA activity back into their own communities.

WPA work in partnership with Community Foundation Wales who work alongside our Members to get the best possible return for their communities.

(WA Ref:124033)

The buyer considers that this contract is suitable for consortia.
