Services

II.1.4) Short description

The Environment Agency currently uses an application known internally as Learning Zone (LZ), to provide employees with a single point of access to learning content required to develop capability in their roles.

Learning Zone is a Totara based application that provides access to over 2500 face to face and virtual learning events per year, over 500 e learning and technology-based learning products for the 11,200 employees within the EA. In addition, learning is provided for circa 6000, employees with an incident Management (IM) role, responsible for responding to local and major incidents as Category 1 responders.
