Precise information on deadline(s) for review procedures

Network Rail will incorporate a minimum 10 calendar day standstill period at the point when the information on the award of the contract, is communicated to tenderers.

Applications/tenderers who are unsuccessful shall be informed by Network Rail as soon as possible after the decision has been made as to the reasons why the applicant/tenderer was unsuccessful.

If an appeal regarding the award of the contract has not been successfully resolved, the Utilities Contracts Regulations 2016 provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order for any documents to be amended. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to review the award decision before the contract is entered into.
