II.1.2) Main CPV code

- 90500000 - Refuse and waste related services

II.1.3) Type of contract

Services

II.1.4) Short description

The South Coast Affinity Group (SCAG) is looking to establish a Framework Agreement for the provision of Waste Management Services to its members, namely, University of

Southampton, Southampton Solent University, University of Portsmouth, University of Winchester, Bournemouth University and University of the Arts Bournemouth. Additionally, Southampton City College will be joining this framework as an affiliate member. The framework will also be available for use by the University of the Creative Arts and the National Oceanography Centre Southampton.

The participating organisations are seeking an efficient, high quality waste management service that fully complies with SCAG Universities' environmental objectives to reduce the environmental impact of waste services, meet government targets for recycling and operate at a zero level to landfill.

Pay-By-Weight

It is envisaged that the participating organisations will require the provision of a comprehensive pay by weight waste disposal service. The service should include:

- the segregation, collection, removal and disposal of all controlled waste from all University buildings in each Institution;
- the option of collection, removal and disposal of clinical, hazardous and special waste.

Sustainable Resource Management

In recognition of the Group's commitment to sustainability, the SCAG members are seeking a solution which will enable them to achieve their objective of a holistic approach to sustainable resource management.

This concept can be defined as:

- Reducing the amount of waste produced;
- Efficient use of waste;
- Selecting waste management options which minimise the risk of any negative environmental impact;
- Achieving a hierarchy of waste management.

Waste Disposal Services.

The successful Contractor will be required to offer a service with the option for the collection, removal and disposal of all waste streams from SCAG University sites.

Full details of the particular service required by each individual institution will be provided

at the Invitation to Tender stage and will be determined between the successful bidder and each institution prior to the award of each call-off contract.

II.2.4) Description of the procurement

The University of Southampton is conducting this tender on behalf of the South Coast Affinity Group (SCAG) and associates for the establishment of a single supplier framework for the provision of waste management services. More information on the requirement is set out at II.1.4 above and in the Specification document in the tender pack.

The framework is being established using the Open Procedure, will last for a maximum of 4 years and have a maximum value of £17m.

Each individual member institution will place a call off through the framework for their individual requirements. These call offs are expected to be for a minimum of 1 year with no maximum limit.

The SCAG members and associated institutions are:

- * University of Southampton
- * Arts University Bournemouth
- * Bournemouth University
- * Southampton City College
- * Southampton Solent University
- * University of Portsmouth
- * University of Winchester

The framework will also be available for use by the National Oceanography Centre, Southampton and the University of the Creative Arts but any proposals for these two institutions will not form part of the framework award.
