Scope

Description

The East of England NHS Collaborative Procurement Hub intends to establish a multi-lot framework agreement to support the procurement of services that address health inequalities and the wider determinants of health. The framework will provide a compliant and structured route for NHS organisations, Integrated Care Boards, local authorities, and other public sector bodies to access a broad range of community-focused services. These services may include, but are not limited to, support for mental health, housing, employment, domestic abuse, inclusion health, and prevention services. The framework will be open to all eligible suppliers.
