The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

this is to be an all inclusive material supply contract, any supply chain arrangements will be the managed stores providers responsibility

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Tenderers should submit a response to this section – either confirming their commitment to or declining to offer Community Benefits.

To achieve the maximum tender score available for this section, a Tenderer must commit to the delivery of Community Benefits as outlined in this document and provide the information below in terms of your approach as an organisation to Community Benefits

The information provided as to the Community Benefits should include-:

How you propose to deliver community benefit;

What resources you will use to ensure successful delivery;

Who within your organisation will have responsibility for ensuring successful delivery; and

How will you monitor progress and update the Council.
