Bath & North East Somerset Council is currently engaged in a recommissioning process for our Hospital Education Reintegration Service (HERS).

This event will also allow us to discuss current and future priorities for supporting children and young people who are unable to attend mainstream or special school due to their health needs.

We will be looking to identify providers with a track record of providing high-quality, personalised, and innovative services for vulnerable learners, those with medical needs and special educational needs and/or disabilities (SEND).

We will be commencing a procurement process later in the year and will provide indicative dates at the event, to be confirmed when the procurement process commences.

The event will take place on Monday 11th October 2021, 10am – 12 noon in the Kapsovar Room, The Guildhall, High Street, Bath, BA1 5AW.
