VI.3) Additional information

Added Value Portal t/a Pagabo and acting on behalf of QE Facilities Limited, wishes to establish a framework of contractors capable of delivering Civil and Infrastructure schemes within the UK for the whole of the Public Sector. The framework will cover, all types Civil and Infrastructure schemes, including but not limited to; road, rail, water and air transport infrastructure, energy production infrastructure, water supply infrastructure and telecoms infrastructure. It is proposed that the term of this framework agreement will be for a period of 4 years from November 2021. The framework shall have the facility for Clients to Direct Award and Further Compete their requirement. The procurement will involve a single stage process following a Public Contract Regulations 2015 Open Procedure. It should be noted that whilst the private sector has the benefit of the framework and access to the rates and contract documents, all call-off contracts by the private sector are outside the estimated contract value in the framework. The framework will be split in to 4 separate lots defined by project value, which are then divided in to a further 9 sub lots defined by project type and each sub lot is then divided in to a further 11 regions. The framework will operate with a maximum of 9 contractors per region, per type of project, per lot. This framework agreement is being advertised and tendered, so it can be utilised by all Contracting Authorities as defined in PCR2015, including Charities in the UK (the full list is available in the tender synopsis on the In-Tend portal — <https://in-tendhost.co.uk/pagabo>). To view the tender advert and ITT documentation, please go to <https://in-tendhost.co.uk/pagabo>. The ITT documents can only be accessed when logged into in-tend. If you are an existing supplier, please log into the system. If you are a new supplier, please make sure you register your company as an initial step on the in-tend website. Select the tab 'Tenders' then select 'Current'. Search for the reference number on the left- hand side of the page and press enter. The tender advert will now be visible. To view the ITT documents, click 'View Details'. This will take you to a new screen, please click 'Express Interest'. Once in the tender there are 5 tabs; 'Tender', 'ITT -documents', 'Correspondence', 'Clarifications' and 'History'. Select the second tab (ITT docs) where you will find useful information under 'Tender Details'. Continue to scroll down to the heading 'Tender Documents Received' where you will be able to view/download the documents. Opting In and out: please note you are required to 'Opt In' before you can access the 'My Tender Return' to start populating your response. The 'Opt Out' functionality will also be available throughout the duration of the tender process. Opting out will give you the option of declaring that you no longer wish to receive any further communication in relation to this tender along with the opportunity of providing feedback and comments for this decision. You may amend your decision to 'Opt In or Out' at any

time during the tender process. This procurement will be evaluated in accordance with the process set out in the bid pack documentation. Pagabo, on behalf of the contracting authority reserves the right to run all stages of the procurement concurrently. Pagabo, on behalf of the contracting authority reserves the right:(i) not to award any framework agreement, as a result of the procurement process, commenced by publication of this notice;(ii) in the event that there is a substantive challenge to the procurement and such challenge is confined to a single lot, Pagabo, on behalf of the contracting authority, reserves the right to the extent that it is lawful to do so to conclude a framework agreement with the successful bidder(s) in respect of the lot(s) that have not been challenged; and(iii) make whatever changes it may see fit to the content and structure of the tendering competition.
