II.2.4) Description of the procurement

Lincolnshire County Council (LCC) has procured a contract for the collection, haulage and recycling of paper and cardboard. LCC is implementing the separation of paper and

cardboard from household recycling in a phased approach over a four year period. This will start with Boston Borough Council and it is expected that each of the districts will be rolled out in approximately 6 monthly intervals following this. Alongside the collection of separated at source collections of paper and cardboard the Council will run a robust programme of engagement and communication with residents. The contract term is 4 years with 2 further options to extend for 2 years to a maximum term of 8 years.

The contract is linked to the Mixed Paper and Cardboard indices on letsrecycle.com and this generates an income for the Council. Although the income generated will fluctuate in line with the indices the income is expected to be approximately £6.7 million over the 8 year contract period.
