cardboard from household recycling in a phased approach over a four year period. This will start with Boston Borough Council and it is expected that each of the districts will be rolled out in approximately 6 monthly intervals following this. Alongside the collection of separated at source collections of paper and cardboard the Council will run a robust programme of engagement and communication with residents. The contract term is 4 years with 2 further options to extend for 2 years to a maximum term of 8 years.

The contract is linked to the Mixed Paper and Cardboard indices on <u>letsrecycle.com</u> and this generates an income for the Council. Although the income generated will fluctuate in line with the indices the income is expected to be approximately £6.7 million over the 8 year contract period.
